

## west african music & dance company

led by the outstanding percussionist, **Vieux Bakayoko**

**Hamana** has grown to be one of Britain's leading traditional West African dance companies. Our aim is to bring inspiring and entertaining music and dance to the widest possible audience.

Our musicians and dancers are of both African and European origin and each performer brings their own individual flair to performances.

Each performance takes the audience on an exciting journey through the traditions and

stories of West African society. **Hamana** appeals to a wide range of audiences.

**Artistic Directors:** Vieux Bakayoko, Saskia Bakayoko
